Continuation Sheet (PTO-303)

Continuation of 2. NOTE: Amendments A C filed 05/06/02 have been entered. Amendment B filed 05/06/02 has not been entered because it raises the issue of new matter and is not deemed to place the application in better form for appeal. Amendment of claim 148 to add "at least one day and not more than about two weeks" raises the issue of new matter. Applicant's arguments presented with Amendment B regarding implied support for the newly added material have been considered but they are not persuasive, as it remains unclear how the disclosure in the specification of intervals of about 7 days, 2 days, and 3 days respectively supports "at least one day". The disclosure and the newly added material do not appear to be commensurate in scope.
